

The following charts show how every dollar that is paid to the City in taxes for the 2017/18 Fiscal Year gets disbursed.

The City of Williamston collects taxes for other taxing jurisdictions including the Williamston Schools, Ingham County, Lansing Community College, Ingham Intermediate School District, Capital Area District Library, and NIESA.

For every dollar that a Primary Residential Exemption (PRE) homeowner pays, approximately 27.59 cents remains with the City, the remainder is sent to the appropriate taxing jurisdiction that the City collects for.

Likewise, when a non-PRE taxpayer pays their taxes the City keeps approximately 20.76 cents of every dollar paid. This difference between PRE and non-PRE is the exemption of 18 mills for School Operating that PRE properties enjoy.

2017 Non-PRE Tax Millage Breakdown
